Article 1

To encourage outstanding students to pursue graduate studies in the Department of Electrical Engineering (Program B and Artificial Intelligence Program), Associate Professor Yang Cheng-Ren has successfully secured the Cheng Zhen Technology Scholarship from Cheng Zhen Technology Co., Ltd.

Article 2

Eligibility:

Applicants must be newly admitted master's students in the Department of Electrical Engineering, Program B or the Artificial Intelligence Program. (The thesis advisor must be a faculty member of Program B.)

Article 3

Eligible students must apply within the announced application period. Applications will be reviewed by the program committee. The approved recipients and scholarship amounts will be announced afterward.

Article 4

These regulations shall take effect upon approval by the program committee. Any amendments shall follow the same procedure.
